Tax Associate & Process Builder | CPA Candidate 2027

Baltimore, MD | (443) 713-8435 | patelradhe0168@gmail.com | <https://linkedin.com/in/radhepatelrising>

PROFESSIONAL SUMMARY

CPA-track accounting senior (expected Spring 2027) pursuing a Staff Accountant / Tax Associate role in public accounting. Two tax seasons of hands-on experience across individual, fiduciary, partnership, corporate, nonprofit, and information-return work—from PBC collection and workpaper preparation through return completion and reviewer handoff. Proactively identifies workflow friction and builds tools that reduce review time and leave cleaner files for the next reviewer. Handles peak-season volume without letting deadline pressure compromise reconciliation quality.

PROFESSIONAL EXPERIENCE

Tax Preparation / Accounting Support Intern

February 2025 – Present

KBST&M (Khan, Berman, Solomon, Taibel & Mogel, P.A.) | Hunt Valley, MD

(30-38 hrs/week during academic semesters; 40+ hrs/week during tax season)

- Built firm-wide efficiency tools that cut review time: redesigned SurePrep binder validation (75% faster) and created an Excel Tax Summary dashboard (40% reduction in partner review time), training staff across departments on both.
- Prepared 5+ returns per day during peak filing periods, primarily 1040 with recurring 1120S, 1120, and 1065 assignments, tracing source-document discrepancies and closing gaps with clients before reviewer handoff.
- Mapped K-2/K-3 data from 7 investments into Form 1116 categories, organizing \$4.23 million in foreign gross income, \$2.00 million in partner-level deductions, and \$410.9 thousand in foreign tax paid into review-ready workpaper for reviewer and preparation handoff.
- Maintained monthly books for 3 clients, recording adjusting journal entries, reconciling bank activity, and clearing discrepancies in QuickBooks ahead of period-end review.

Tax Intern

January 2024 – May 2024

Varano & Black, CPAs | Hunt Valley, MD

(30+ hrs/week during tax season)

- Scanned, organized, and validated 50+ client tax document sets per week in SurePrep against source records, maintaining accuracy standards during high-volume intake periods.
- Served as secondary coverage for front-desk client intake, resolving document discrepancies and intake questions same-day to keep preparer workflows moving.
- Supported administrative coordination across the tax season, including appointment scheduling and client follow-up to ensure PBC items were collected ahead of filing deadlines.
